ENDORSED BY

Dear colleagues and friends,

It is our special honor and sincere pleasure to invite you and your colleagues again on behalf of the Organizing Committee to the 10th Rijeka Forum of Neurodegenerative Diseases organized by the Clinic of Neurology UHC Rijeka, Department of Neurology Faculty of Medicine, University of Rijeka, Department of Biomedical Sciences in Rijeka of the Croatian Academy of Sciences and Arts.

Our goal is to present the latest developments and dilemmas in the field of neurodegenerative diseases with a special focus this year on the regulation of gene expression in neurological disease and neuroimmunology” and other news in neurodegenerative diseases, to improve our daily practical and scientific work. We hope you enjoy the news in this important area of neurology and neuroscience.

We sincerely hope that you will join us and recommend this meeting to your colleagues.

Vladimira Vuletić

.....

10th Rijeka Forum on Neurodegenerative Diseases, September 14-16, 2026, Rijeka, Croatia

the topic: „Neurodegenerative diseases: “Mechanical mechanisms, treatments, biomarkers, genetics, viruses, proteinopathies, neuroinflammation, metabolic dysfunction. and neuroimmunology” will be held on:

University Campus Rijeka, Faculty of Civil Engineering, Lecture hall G-003,004,
Radmile Matejčić 3, Rijeka
